Behind the Scene

LEFT TO RIGHT: Hap Banks, Lloyd Campbell, Carl Hinton.

The cooks at KHS work hard to supply us with warm, nutritionally balanced meals. They take pride in fixing these meals and we appreciate their efforts.

Our busdrivers provide the rural students a means of getting to school and are happy to take groups to extracurricular activities. They keep KHS students on the move.

The ever-busy janitors keep our building clean by scrubbing, waxing, and cleaning. Their work doesn't end at the last bell but goes on into the late hours of the night.

SENIORS

In Memory of Mark Peterson

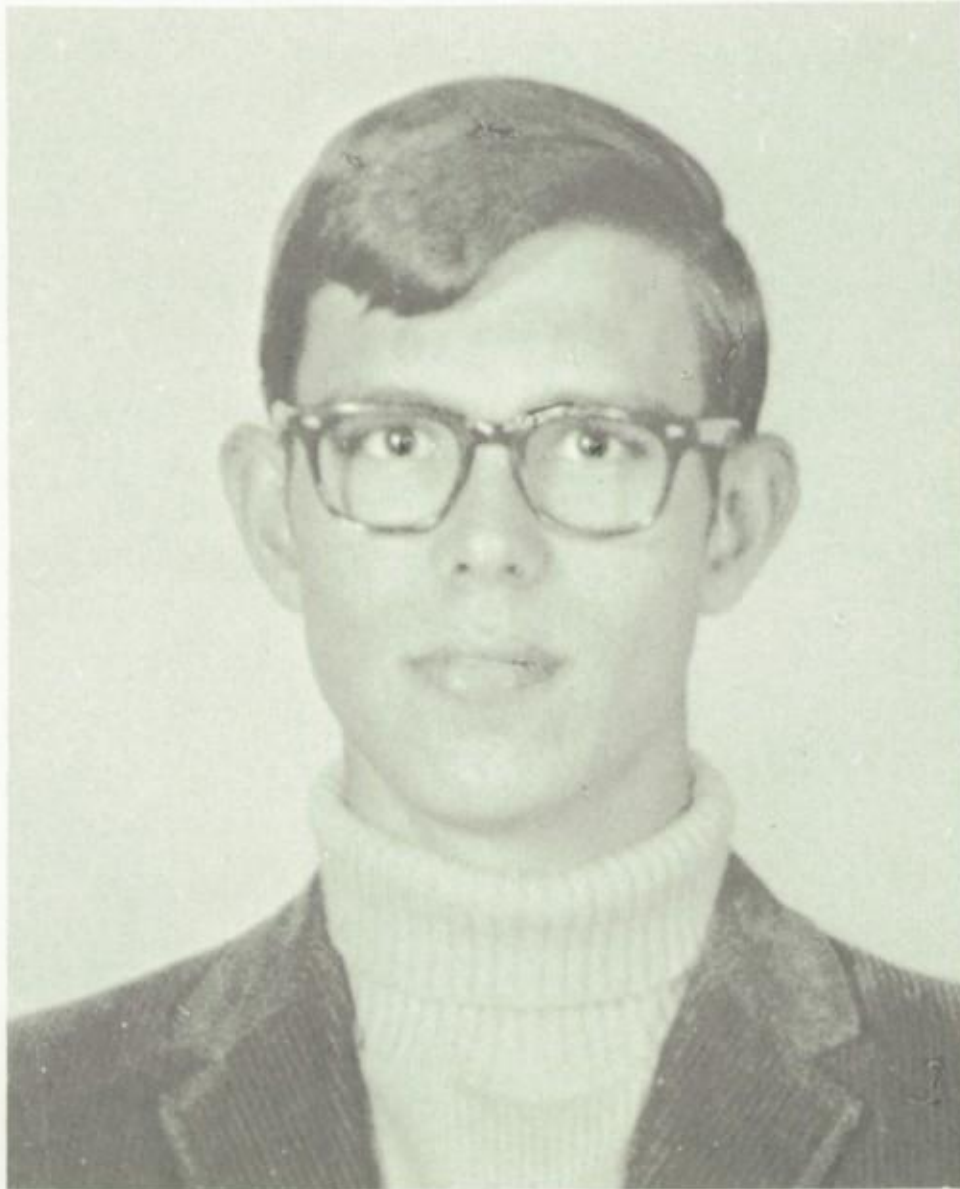

Mark Peterson, 16, was a Sophomore at KHS. He was an active member of the Methodist Church. During Mark's Freshman year, he was a member of Hi-Y, Spanish Club, a Youth Center Representative, and participated in football and basketball. He was also a Mr. Yearbook attendant.

In his Sophomore year, Mark was a member of Student Council, Hi-Y, Science Club, Spanish Club, and Spanish Honor Society. He participated in football, basketball, and tennis.

Mark died following an automobile accident near Kingman, May 24, 1968. His winning personality and smile will long be remembered.

In Memory of Bruce Bergkamp

Bruce Bergkamp, 17, was a junior at K. H. S. He was an active member of St. Louis C. Y. O. in Waterloo. During the three years he attended K. H. S., Bruce was an outstanding participant in the local chapter of F. F. A. He was secretary and reporter for the K. H. S. chapter, district reporter, and a member of the livestock and crop judging teams. Bruce made an Anhydrous Ammonia Applicator which took 10th place in the state and 1st in both the Sedgwick and Kingman County Fairs.

Bruce was an active member of the Galesburg 4-H Club, where he served as Vice-President and President.

Bruce died in an airplane crash north of Kingman on June 19, 1969. His easy going manner and friendly disposition will long be remembered by his friends.

Future Farmers Of America

FFA SWEET HEART

Kingman Chapter

The Future Farmers of America exists today because of a cooperative spirit and great pride on the part of boys, 14 to 21 years of age, preparing for a career in agriculture. In vocational agriculture, they have a national organization in which they may secure practical business experience, act as their own instructors, and enjoy the fellowship of one another. It is organized vocational education on a farm youth level. Improved agriculture, better local communities, a more satisfying home life, and responsible citizens are emerging as a result of the boys' experiences in FFA.

Founded in 1929, the Kingman Chapter was one of the first twelve FFA clubs in Kansas. Mr. Leon Sowers, a graduate from Kansas State University, is now the instructor of the 37 boys who belong to FFA.

Chess Club

In its third year of organization at KHS, Chess Club now has forty members. It is becoming a bigger hit among the students and faculty every year. This year, for the first time, the club drew up a constitution and elected officers.

Under the new sponsorship of Mr. Mason, the club holds meetings about once a month. In the future they hope to stage tournaments among the members, and if possible, they hope to have inter-school games.

Under the leadership of Joy Pollman, the Library Club was developed to stimulate interest among assistant librarians. In their second year as an organized club, these members have donated their own time in helping students with library facilities. Besides their library duties, the club members actively participate in extracurricular events. They attended the state meeting at Emporia and participated in the district meeting at Valley Center, where Linda Payne was elected assistant district chairman. Their second annual Book Fair will be held in the Spring.

Pride

The Kingman High School Eagle Band not only displays much pride, but is the source of great pride. The band, under Mr. Craig's direction, received its traditionally high ratings at both state and league contests.

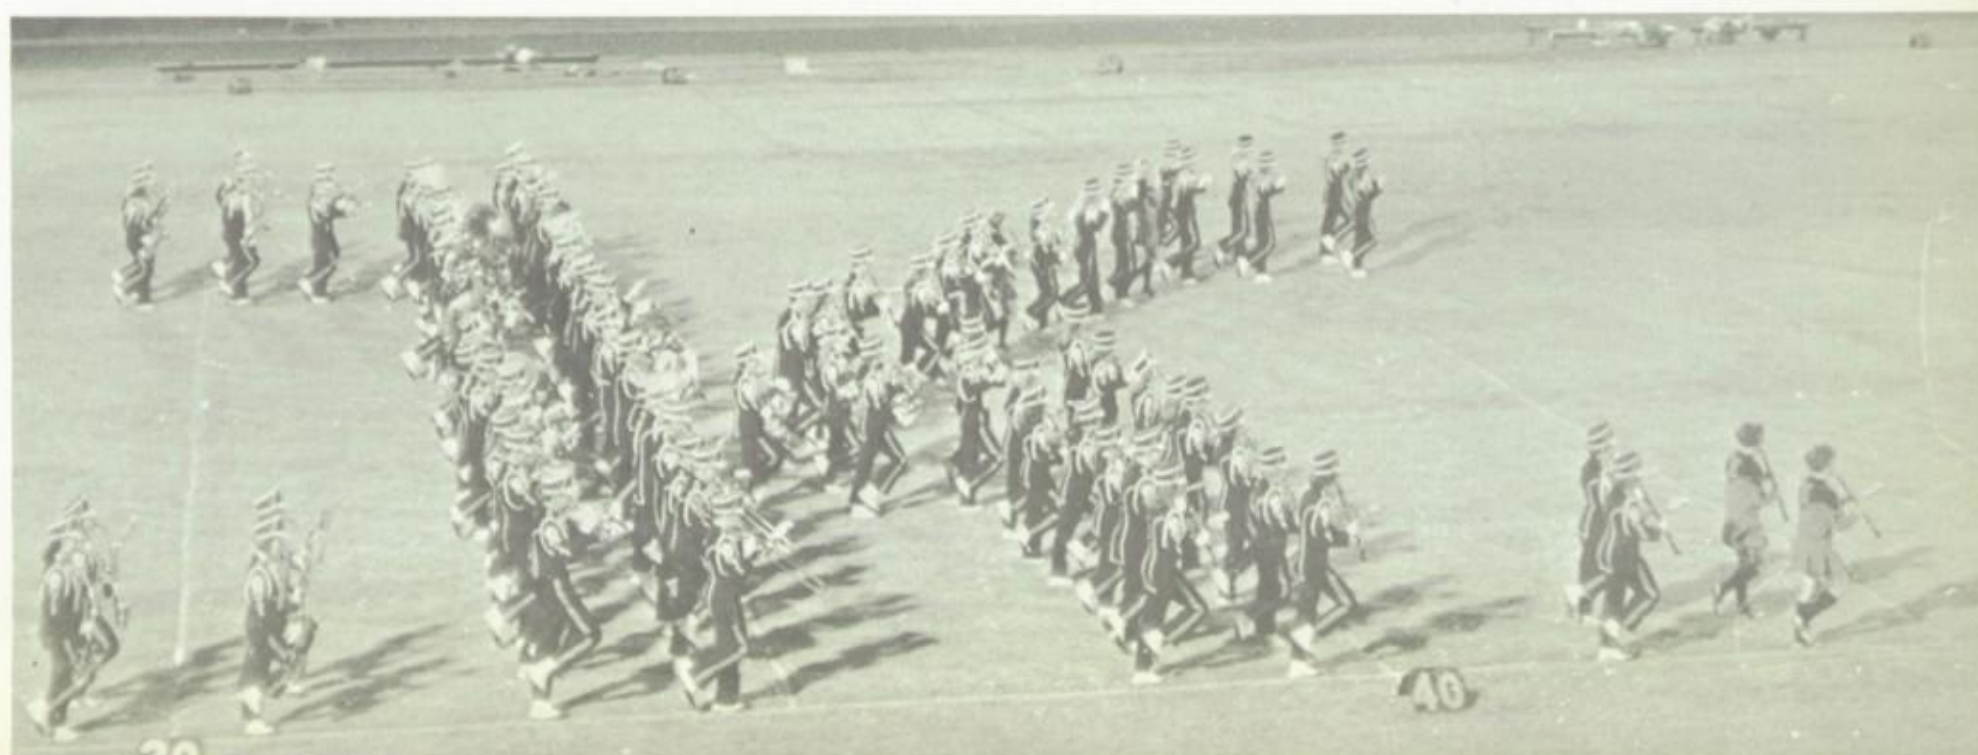

This group traveled to some different places than it has in previous years. It went to Kansas University Band Day and along with approximately seventy other bands, presented a half-time show at the K.U. vs. O.U. football game. The band later went to Fort Hays State to participate in a band workshop.

Although the band has been busy with these activities, it does not neglect its usual duties at home. It presented a variety of half-time shows and the usual spring concert. Every task the band accomplished was greatly enjoyed and appreciated by the public.

Eagle Choir

The 1969-70 Eagle Choir, under the direction of Keith Franzen, enjoyed a busy year. The year began with a new fall concert called "Dimensions in Sound." The choir traveled to Russell, Kansas, for an Invitational Choral Clinic. The choir then participated in District and State Music Festivals.

This year, Eagle Choir numbered eighty-one voices. A special group of twenty-eight selected singers formed a new group called "The Swing Choir," which performed at numerous functions throughout the community.

"Individual Pride" was the theme presented by Mr. Franzen. This pride is knowing that the individual contributed his share to make this year's choir the best yet. "Group Pride" and "School Pride" were also part of that theme, because there is pride knowing that the effort of the individual added up to the tremendous effort of a group.

Swing Choir

The Vocal Music Department has a new 'PRIDE' this year by the name of "Swing Choir". This group consists of twenty-eight singers.

The girls' outfits consist of navy blue pantskirts and white turtlenecks. The boys wear navy blue shirts and white bell-bottoms. They sing mainly pop music for various functions throughout the community.

For festival "Swing Choir" was split into two ensembles. Director Keith Franzen added two members of Eagle Choir to each of these ensembles. Faye Martin, Sharon Voran, Donnie Hamblin, and Dan Zerger were the singers that were added.

Eagle Pride

Pride for the Eagles remained high throughout the 1969-70 season. Winning the SKL Championships for the first time since 1957 contributed to the spirit. Twelve seniors played their last year with plenty of depth and rolled up an impressive 8-1 season. The Eagles were ranked sixth in class 3-A in the State.

1970 Senior Pride

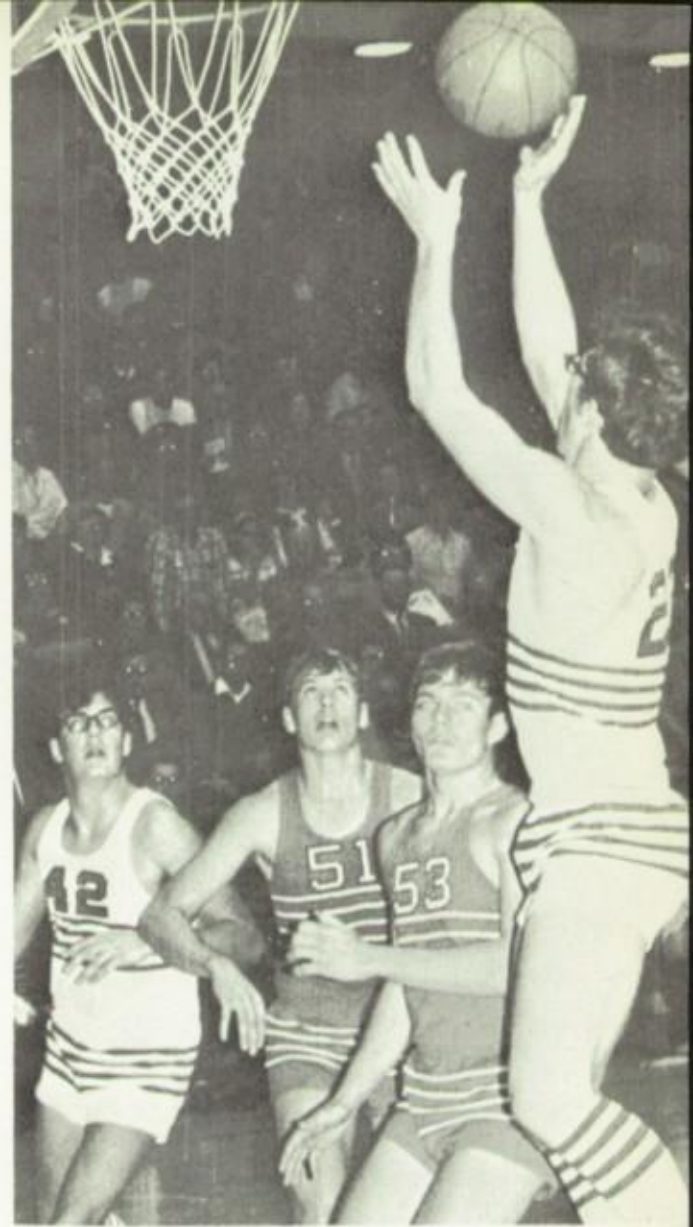

Kingman High School roared to its best basketball season in sixteen years. It won the SKL Championship in the leagues final year with a standing of fifteen wins, five losses in overall play, and nine wins, one loss in SKL competition. Last year Kingman had to share the SKL Championship with Anthony. This year they decided not to share the title with anyone and went undefeated in the League, except for the biggest upset of the year when the last place Kiowa Chiefs defeated them with a score of forty-seven to thirty-nine.

Coach Ward was able to put this League's leading team together by playing the four seniors shown on this page. Number 32, Allen Young, who rebounded and put the ball through the net many times with the use of his fast lay-up. Tim Thissen, number 23, rebounded, stole the ball, and passed with such accuracy that he was feared by many of his opponents. Jay Voth (43) and Bill Glassner (45) were Kingman's leading senior scorers. Both of these players could hit the basket from anywhere on the court, stripping the net as the ball went through and winning many of the Eagles' games for them.

However, Kingman's glory could not have been accomplished without the help of our three Junior starters--Ted Settle, Chris Dixon and Steve Geesling. With these three boys playing for the Eagles next year, it looks like another winning season.

Jr. Varsity Basketball

The Jr. Varsity had a very good year considering the fact that many of them were held out for the Varsity game. This is the first year in a long time that Kingman High has had such depth on its basketball team. From the looks of the B-Team, the Eagles will have another exciting season in 1971, led by Varsity starters Ted Settle, Steve Geesling, and Chris Dixon.

FRESHMAN

Girls make the scene in tennis, gymnastics, and track this year. Early in the fall, they were active in the tennis matches at Medicine Lodge (September 30) and Anthony (October 4). The girls matched skills with each other in badminton tournaments and played their finals March 3. April 17, the girls made the "scene" with a Powder Puff football game. They also participated in track meets at Winfield and Medicine Lodge and hosted a meet of their own the latter part of the year.
